A photograph of a young woman with long brown hair, smiling and looking down at a white blazer she is holding. She is standing in what appears to be a clothing store, with racks of clothes in the background. She is also holding an orange shopping bag.

FOR THE SHOPPERS

We all know how hard it is to find that one truly unique piece that speaks to us amongst the millions of choices. So why not turn your store into a one-of-a-kind shopping experience by creating handmade art for your viewers or starting a boutique vintage thrift store. The possibilities are limitless!

FOR THE FOODIES

Instead of the same old offerings and chains we've gotten used to and bored of, excite nearby residents with something truly delectable; something they've never seen before. A conveyor belt sushi bar, a purely vegan café, Ethiopian cuisine for the first time in Gurugram – a world of sensory delights is yours to create.

A young man with a beard and a red plaid shirt, and a young woman with long dark hair, both smiling and laughing, are playing foosball. The foosball table has green felt and red and blue player figures. The background is blurred, showing other people in a social setting.

FOR THE SOCIALIZERS

Having a wealth of places to congregate with friends and family can be a major factor in our lives: one can only go out for a meal so many times. Why not broaden horizons with a retro video game arcade, a cat café or a comic book store? Create a unique social experience, and people will come back over and over again.

FOR THE
CREATORS

When it's time to get down to business, we need the right atmosphere and ambience to focus, collaborate, and ideate freely. Create a studio space for artists, a co-working space for professionals to come together, or simply find the perfect location for your business' headquarters. Amidst the vibrant environment of Oyster Arcade, great things are bound to happen.
